Universal Preschool: Universal preschool is heading into year 2 for the 2024-25 school year. Colorado's Universal Preschool (UPK), passed by the general public in the November of 2020 general election, the mixed delivery system allows families to choose the right setting for their child, whether it is in a licensed community-based, school-based or home-based preschool setting. Families of children in the year before they are eligible for kindergarten, and qualifying 3-year-olds, are able to apply for UPK Colorado for the 2024-25 school year through their website. Registration opening date has not been announced yet. To find out more visit www.cdec.colorado.gov/colorado-universal-preschool, or click [here for Family FAQ's](#).

Once your child is enrolled you will receive an email, in late July, with additional forms attached that will need to be printed and completed prior to your child attending. Each child must have an immunization record or signed exemption to attend class on the first day of school. No record? No entry! No exceptions! Health forms must be turned in to the preschool at Parent Orientation, which will be held in late August. The first month's tuition, plus the annual supply fee, will also be due at Parent Orientation.

If you have any questions regarding your child's registration, please call or email me.
